MAINEVENT

Media Release: Monday August 7, 2017

Mayweather v McGregor

LIVE on MAIN EVENT Sunday August 27 from 11am
or stream from mainevent.com.au

The two biggest stars from the world of boxing and MMA, **Floyd Mayweather Jr.** and **Conor McGregor**, will enter the ring on **August 27** to go head-to-head in a hotly anticipated boxing bout **LIVE on Foxtel's MAIN EVENT** or available to **stream from mainevent.com.au**.

The fight will take place on the world famous Las Vegas Strip in front of a sold out T-Mobile Arena crowd in what is set to be the highest grossing and most talked-about fight of all time. Floyd Mayweather Jr. will be looking to cement his position as the greatest pound-for-pound boxer in history as he comes out of retirement to take on UFC's most recognised talent and reigning UFC lightweight champion, Conor McGregor.

Despite being out of the ring since 2015, Mayweather's reputation remains untouched, boasting an incredible 49-0 professional boxing record. McGregor, known as one of the most dangerous strikers in MMA, will utilise his fierce and competitive nature in an effort to overcome the undefeated boxing legend.

As the date looms closer both of the outspoken fighters have been creating a stir with Mayweather challenging McGregor to wear smaller gloves – which means harder punches. In hoping his superior boxing skills will show through with smaller gloves, Mayweather said, "Whatever advantage McGregor needs to feel more comfortable in the ring, I'm willing to accommodate. Let's give the boxing and MMA fans what they want to see."

In addition to the MAIN EVENT broadcast for Foxtel customers, the Mayweather v McGregor fight can be streamed to anyone with an internet connection via www.mainevent.com.au using Microsoft Windows, Apple Mac or Linux OS or on tablets including Google Android devices and Apple iPad or iPhone devices.

Foxtel customers can order at mainevent.com.au or book through the MyFoxtel.app. The fight will be available to order via Foxtel remote from Wednesday August 16 on iQ3 and from 48 hours out from the event on iQ2.
